

Individual Report 100%								
Module's Information:								
Module	A301SAM							
Session	April 2026							
Programme	BCTCUN							
Lecturer	Ms Jivita Raja							
Coursework Type	Individual Report							
Percentage	100%							
Hand-out Date	17 April 2026							
Due Date	5 July 2026							
Penalties:								
No late work will be accepted. If you are unable to submit coursework on time due to extenuating circumstances you may be eligible for an extension. Please consult the lecturer.								
Student's Declaration:								
I/we the undersigned confirm that I/we have read and agree to abide by the University regulations on plagiarism and cheating and Faculty coursework policies and procedures. I/we confirm that this piece of work is my/our own. I/we consent to appropriate storage of our work for plagiarism checking.

Rachel Ng Ker Xin	P22013872	<i>Rachel</i>						
Learning Outcomes Assessed:								
1. Critically evaluate the role of events in delivering organizational strategy and meeting customer expectations. 2. Develop an effective event project plan which should include techniques for initiating, planning and managing the event, and evaluating the factors for success. 3. Demonstrate how project management theory and techniques can contribute to successful delivery of events. 4. Develop an event management plan for a high-profile event incorporating research, marketing and project planning.

Acknowledgement

I would like to sincerely thank Ms. Jivita, our lecturer, for her invaluable guidance, encouragement, and constructive feedback throughout the planning and execution of this project. Her support not only helped us refine our ideas but also motivated us to overcome challenges and deliver a successful event.

My heartfelt appreciation also goes to my group members — Koed Zuer, Teoh Jun Jie, Kang Han Yi, Lim Voon Kang, Chan Tai Yu, and Tang Kai Zhe — for their dedication, teamwork, and commitment. Each member played a crucial role in ensuring that Badminton Smash 2026 was well-organised, from logistics and sponsorship to marketing and on-day coordination. Their cooperation and willingness to step in whenever needed truly exemplified the spirit of collaboration.

I would also like to extend special thanks to Oppstar Technology Sdn Bhd, whose generous sponsorship provided the financial support necessary to fund prizes and enhance the overall quality of the event. Their contribution was instrumental in motivating participants and ensuring the event ran smoothly.

Finally, I am deeply grateful to all the participants and attendees whose enthusiasm and sportsmanship brought life to the event. Their active involvement and positive feedback made Badminton Smash 2026 not only memorable but also a meaningful experience that achieved its objectives of promoting physical activity, teamwork, and friendly competition.

This project would not have been possible without the collective effort of every individual involved, and I am truly thankful for the opportunity to work alongside such supportive peers, mentors, and sponsors.

1.0 Event Overview

1.1 Introduction

Badminton Smash 2026 was organised to provide INTI International College Penang students with an opportunity to engage in physical activity, teamwork, and friendly competition outside academics. The event created a platform for stress relief, camaraderie, and sportsmanship through a structured badminton tournament.

1.2 Event Objectives

1. Promote physical activity and encourage a healthy work-life balance.
2. Develop teamwork and communication through doubles play.
3. Foster sportsmanship and friendly competition in a structured environment.

1.3 Target Participants

The event targeted INTI International College Penang students and alumni, ensuring inclusivity and community engagement.

1.4 Event Summary

Date: 16 June 2026

Time: 5:00 PM – 7:00 PM

Venue: Bayan Lepas Badminton Arena (Dewan Lengkok Kelicap)

Participants: 16 students (8 doubles teams)

INTI International College Penang School of Computing 3+0 Bachelor of Science (Hons) in Computer Science, in collaboration with Coventry University, UK 3+0 Bachelor of Science (Hons) in Computing, in collaboration with Coventry University, UK

Activities Conducted: Knockout badminton matches, prize-giving ceremony, certificate distribution (see **Appendix F**).

2.0 Individual Role and Responsibilities

2.1 Position Held

Name	Role
Koed Zuer	Project Leader
Rachel Ng Ker Xin	Program Coordinator
Kang Han Yi	Finance Team
Lim Voon Kang	Logistics Team
Teoh Jun Jie	Secretary
Chan Tai Yu	Sponsorship Team
Tang Kai Zhe	Certificate Team

2.2 Responsibilities

Responsibility	Description
Poster Design	Drafted and revised event posters with sponsor branding (see Appendix A).
Class Promotion	Conducted class-to-class visits to encourage registration (see Appendix F).
Social Media	Coordinated share event posts on Instagram (see Appendix G).
Event Day Support	Assisted with registration, score recording, and certificate distribution (see Appendix F).

3.0 Task Implementation

3.1 Task 1 - Poster Design

Planning Stage: Drafted poster layout including event details and sponsor logo.

Implementation Stage: Revised design after feedback from Mr. Damian; finalised and approved by 3 June.

Challenges Faced: Multiple rounds of revisions delayed approval.

Solutions Implemented: Met Mr. Damian in person to resolve feedback quickly.

Evidence: See **Appendix A** – Finalised event poster.

3.2 Task 2 - Class Promotion

Planning Stage: Scheduled promotional visits across different classes.

Implementation Stage: Delivered short presentations to encourage sign-ups.

Challenges Faced: Limited time slots due to exam schedules.

Solutions Implemented: Coordinated with lecturers to fit promotions into available breaks.

Evidence: See **Appendix F** – Photographs of class visits.

3.3 Task 3 - Social Media Promotion

Planning Stage: Drafted captions and coordinated with IT Club for Instagram posts.

Implementation Stage: Posts were shared via Kang Han Yi accounts.

Challenges Faced: IT Club president became unavailable, delaying coordination.

Solutions Implemented: Worked with the assistant secretary to reassign duties.

Evidence: See **Appendix G** – Screenshots of Instagram posts.

3.4 Task 4 - Event Day Execution

Planning Stage:

Prepared participant lists, grouped doubles teams, and ensured certificates were ready.

Implementation Stage:

Helped manage registration, recorded scores, and assisted in prize-giving.

Challenges Faced:

- Late arrivals caused delays in match scheduling.
- Score recording required quick coordination to avoid confusion.

Solutions Implemented:

- Adjusted match order to accommodate late arrivals.
- Worked closely with the technical committee to ensure accurate score tracking.

Evidence: See **Appendix F** – Event photographs showing registration, matches, and prize-giving ceremony.

After the Event:

- Participated in the post-event reflection meeting on 18 June, where outcomes and improvements were discussed (see **Appendix B**).
- Helped compile documentation such as attendance lists, budget records, and photographs for submission (see **Appendices C–F**).
- Expressed gratitude to the sponsor Oppstar Technology Sdn Bhd and ensured their contribution was acknowledged in event materials.

4.0 Contribution to Event Success

My contributions in both marketing and execution played a vital role in supporting the overall objectives of Badminton Smash 2026. By designing posters and coordinating social media posts, I helped increase the event's visibility and encouraged more students to register. The class promotions further strengthened participation by building excitement and directly engaging students across different classrooms. On the day of the event, I assisted with registration, score recording, and prize distribution, ensuring that operations ran smoothly and efficiently. Through close collaboration with my team members, I was able to maintain professionalism and contribute to creating a positive experience for all participants, which ultimately helped the event achieve its goals of promoting physical activity, teamwork, and sportsmanship.

5.0 Reflection

5.1 Skills Developed

Leadership Skills: Took initiative in promotional planning.

Communication Skills: Improved through class presentations and sponsor coordination.

Teamwork Skills: Collaborated effectively with committee members.

Problem-Solving Skills: Adapted to challenges such as poster revisions and IT Club coordination.

Time Management Skills: Balanced promotional tasks with academic commitments.

5.2 Lessons Learned

I learned the importance of flexibility in event planning, especially when facing unexpected changes such as sponsor withdrawal or venue delays.

5.3 Areas for Improvement

Future events could benefit from earlier sponsor confirmation, clearer role delegation, and more structured communication channels to avoid last-minute issues.

6.0 Conclusion

Overall, my role in the Marketing Committee contributed significantly to the success of Badminton Smash 2026. The event achieved its objectives, provided a positive experience for participants, and strengthened teamwork among organisers. This project enhanced my skills in communication, organisation, and adaptability, preparing me for future event management challenges.

Appendix

Appendix A - Event Poster

Appendix A: Official promotional poster for Badminton Smash 2026

This poster served as the primary promotional material for the event. It was created by the Marketing Committee and revised multiple times to ensure accuracy, sponsor visibility, and alignment with INTI branding. The poster includes essential details such as the event name, date, time, venue, categories, and registration information. It also highlights the collaboration with the INTI IT Club and sponsorship by Oppstar Technology Sdn Bhd, whose contribution made the cash prizes possible. The vibrant design and clear messaging helped attract participants and build excitement, demonstrating the effectiveness of our marketing efforts.

Appendix B - Meeting Minutes

1st meeting

Date: 31/3/2026

Time: 1.00p.m.- 1.30p.m.

Venue: LT Room

Chairperson: Koed Zuer , Teoh Jun Jie , Kang Han Yi , Lim Voon Kang , Chan Tai Yu , Rachel Ng Ker Xin , Tang Kai Zhe

Present: ✓

Absent: X

Attendance:

	Matter Discussed	Action by
1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Python Outreach Teaching Programme</u>	All members
2.1	The group shared their idea about having a teaching programme on Python in another school. This programme aims to give the students an introduction to Python programming and provide an understanding of simple programming concepts.	
2.2	The group decided that the teaching session should include simple and easy to understand concepts like introduction to python, variables, input and output, simple calculations, if else statements and basic loops.	
2.3	The group also agreed to have a small coding competition following the teaching session. Students will have the opportunity to apply their knowledge and make the session more interactive and interesting through the competition.	
2.4	The group agreed to make the teaching slides, simple coding examples, practice questions and competition questions in advance of the event. The task will be assigned to each of the members so that the programme may be conducted smoothly.	
3.0	<u>Adjournment</u>	All members
3.1	The meeting was adjourned at 1.30 p.m.

1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Python Outreach Teaching Programme Preparation</u>	All members
2.1	After the Python teaching session, the group discussed prizes to be prepared for the small coding competition. Examples of prizes that were suggested were stationery sets, notebooks, snack items, certificates, and small gift items.	
2.2	The group began looking for appropriate prizes and estimating the value of the prizes. This was done to prepare a simple budget and ensure the prizes were affordable for the event.	
2.3	The group also started preparing the teaching slides for the Python outreach programme. The slides will cover basic introductory concepts in Python like working with variables, input and output, basic calculations, if-else statements, and simple loops, which are suitable for beginners.	
2.4	It was agreed that the group will continue to develop the teaching material and provide the final prize list and budget in the next meeting.

1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 5.00p.m.	
2.0	<u>Change of Programme Topic</u>	All members
2.1	The group discussed the challenge they were having of reaching the school for the Python teaching programme. The school was not accessible, and the group had to cancel the event because they were not able to verify the event arrangement.	
2.2	The group discussed the instructions for changing the topic of an event to a sport when it was discussed during the class. This change enabled the group to have a more appropriate and manageable topic for planning purposes.	
2.3	The group brainstormed on some potential sports activities for the new event subject. A list of suggested activities was presented such as basketball, badminton and bowling.	
2.4	The group made comparisons among the three proposed activities, considering venue availability, equipment requirements, number of participants, cost, safety, and appropriateness of the event.	
2.5	Following discussion, the group agreed to go ahead and select the topic of the last event, which is bowling. Bowling was chosen as it would be easier to arrange, would be accessible to most people and would not involve high levels of sporting ability.	
3.0	<u>Adjournment</u>	All members
3.1	The meeting was adjourned at 5.30 p.m.

	Matter Discussed	Action by
1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Bowling Event Venue and Sponsorship Discussion</u>	All members
2.1	The group discussed the venue for the bowling event. After discussion, the group decided to book the bowling venue at Sunshine Square because it is suitable for the event and can accommodate the expected number of participants.	
2.2	The group discussed the booking details for the event. The bowling session was planned for 4 May, from 5:30 PM to 7:00 PM. The estimated fee was RM23.50 per person, and the booking was arranged for 28 participants.	
2.3	The group discussed the number of bowling lanes needed for the event. After considering the number of participants, the group agreed to arrange enough lanes to ensure the event can run smoothly.	
2.4	The group discussed the budget for the event. Since the collected fee from participants may not be enough to cover all event costs, the group agreed that sponsorship would be needed to support the expenses.	
2.5	The group discussed the possibility of finding an industry partner for the event. The group agreed to look for sponsorship to help cover the budget, prizes, drinks, and other necessary event expenses.	
2.6	The group also discussed the need to prepare a registration Google Form and event poster to allow participants to register for the bowling event.	

2.7	The group discussed the prize arrangement for the competition. The suggested cash prizes were RM150 for first place, RM100 for second place, and RM50 for third place.	
-----	--	--

2.8	The group agreed to continue searching for sponsorship and finalize the event budget before the next meeting.	
3.0	<u>Adjournment</u>	All members
3.1	The meeting was adjourned at 1.30 p.m.

	Matter Discussed	Action by
1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Sponsorship Update and Change of Event Topic</u>	
2.1	The group discussed about the sponsorship for the Bowling event. The group had made a contact with Monoix to sponsor them and had got a response from the same.	All members
2.2	Reviewing the sponsorship option, Monoix informed the group that it's not possible to meet the requirements. So the cooperation as a sponsor was withdrawn.	
2.3	The group discussed that the overall cost of the bowling event was too high, and that they were not able to get enough sponsorship to cover the cost of the event.	
2.4	The group mentioned the suggestion by the Advisor for the topic of the event to be changed to a more appropriate and manageable activity.	
2.5	The group reconsidered the change of the event from the bowling to the badminton game, after more discussion with the team members. The selection of the sport, Badminton, was made because it can be easily organized, is less costly and better suited to the resources available.	
2.6	The group also talked about how to allocate the task for the new badminton event. Some of the team members were asked to approach various companies for sponsorship for the badminton activity.	

INTI International College Penang School of Computing 3+0 Bachelor of Science (Hons) in Computer Science, in collaboration with Coventry University, UK 3+0 Bachelor of Science (Hons) in Computing, in collaboration with Coventry University, UK

2.7	The group agreed that the sponsorship request would be limited to the cost of the venue, event expenses, prizes, drinks etc. that would be required for the badminton competition.	
3.0	<u>Adjournment</u>	All members

3.1	The meeting was adjourned at 1.30 p.m.

1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Sponsorship and Badminton Event Arrangement</u>	
2.1	The group had a short discussion about the requirement of looking for sponsors for the badminton event. The request for sponsorship would be directed to certificates, finances, etc. required to hold the event.	All members
2.2	The group discussed and agreed that the date of the badminton event will be 16 June 2026 which is from 5:00 PM till 7:00 PM.	
2.3	The group reached a consensus that each participant will pay RM10 as registration fee.	
2.4	The group began to look for suitable badminton facilities on the agreed date and time of the event in order to run the event smoothly..	
2.5	The group also began to make the design of their poster for the badminton event. Key information about the event including the date, time, location, registration entry fee, and contact details would be included on the poster.

1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Venue, Sponsorship and Poster and Register Form Preparation</u>	All members
2.1	The group confirmed the venue for the badminton event. The selected venue was considered suitable because it was available on the event date and could accommodate the expected number of participants.	
2.2	The group also confirmed the sponsorship for the badminton event. The sponsorship would help support the event costs, certificates, prizes, drinks, and other necessary items.	
2.3	The group started preparing the poster design for the badminton event. The poster would be used to promote the event and provide important information to the participants.	
2.4	The group discussed the details that should be included in the poster, such as the event title, date, time, venue, registration fee, registration method, contact information, sponsor logo, and important event instructions.	
2.5	The group agreed to continue improving the poster design and make sure all event details were clear before sharing it with participants.	
2.6	The group assigned the Secretary to prepare the registration form for participants. The Leader was assigned to prepare and check the poster design to ensure that all event information was clear and correct.

1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Poster Design and Registration Form Review</u>	All member
2.1	The member responsible for the poster design prepared the badminton event poster. However, the poster did not meet the required format because there was a logo problem in the design.	
2.2	The Secretary and Leader reviewed the poster and discussed the poster problem. After the discussion, the Secretary worked together with the member responsible for the poster design to complete the poster.	
2.3	The group also checked the registration form to make sure the required information was included, such as participant name, contact number, student ID, registration fee, and event details.	
2.4	After the poster and registration form were completed, they were shared with all members for discussion. All members reviewed them and agreed to finalize the poster design and registration form for the event.	
3.0	<u>Adjournment</u>	All members
3.1	The meeting was adjourned at 1.30 p.m.

1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 1.00p.m.	
2.0	<u>Promotion Duty Schedule and Event Items Discussion</u>	All member
2.1	The group discussed the duty schedule for promoting the badminton event. Since the promotion was compulsory, members discussed who would be responsible for each available promotion time slot.	
2.2	The group reviewed the available promotion time slots and assigned members to attend different time slots to ensure that the badminton event could be promoted properly.	
2.3	The group agreed to add all confirmed participants into a WhatsApp group. The WhatsApp group would be used to share important event updates, reminders, and instructions with the participants.	
2.4	The group also discussed the items that needed to be prepared for the badminton event. The items included snacks, shuttlecocks, and drinks for the participants.	
2.5	The group agreed to check the quantity and estimated cost of the snacks, shuttlecocks, and drinks before purchasing them.	
2.6	The group agreed to continue preparing for the promotion and confirm the final list of items before the event day.	
3.0	<u>Adjournment</u>	All members
3.1	The meeting was adjourned at 1.30 p.m.

1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 8.30p.m.	
2.0	<u>Attendance Form, Review Form and Participant Arrangement Discussion</u>	All member
2.1	The group discussed who would be responsible for preparing the attendance form and review form for the badminton event. These forms were needed to record participant attendance and collect feedback after the event.	
2.2	The group confirmed the final participant list and checked whether any participants were unable to attend the event due to personal matters.	
2.3	The group discussed the arrangement of participants for the badminton event. Members agreed to arrange participants according to their requests where possible.	
2.4	The group assigned a member to prepare the participant arrangement table. Participants with specific requests would be grouped accordingly, while participants without any requests would be placed into groups randomly.	
2.5	The group checked and confirmed that all necessary items and preparations for the badminton event were complete before the event day.

	Matter Discussed	Action by
1.0	<u>Commencement of Meeting</u>	Leader
1.1	The meeting was commenced by the Leader at 8.30p.m.	
2.0	<u>Post-Event Reflection and Improvement Discussion</u>	All member
2.1	The group discussed the overall outcome of the badminton event after it was completed. Members agreed that the event was successfully carried out and most participants were able to join the activities smoothly.	
2.2	The group reflected on the preparation process, including promotion, registration, attendance checking, participant arrangement and event flow. Members agreed that these parts were important to ensure the event could run smoothly.	
2.3	The group discussed that promotion could be improved in the future. Members agreed that promotion should be started earlier so that more students would know about the event and register before the deadline.	
2.4	The group also discussed that the registration and attendance checking process should be more organized. This would help to reduce confusion and make it easier to record participant attendance on the event day.	
2.5	The group agreed that participant grouping should be confirmed earlier. Participants with specific requests should be arranged properly, while participants without requests can be grouped randomly before the event day.	
2.6	Members discussed that communication among group members could be improved. Tasks should be divided more clearly, and each member should confirm their responsibilities before the event.	
2.7	The group suggested preparing backup items such as extra shuttlecocks, drinks, snacks and printed forms for future events in case of unexpected problems.

Appendix C: Comparison of estimated budget and actual expenses for Badminton Smash 2026

This document shows the financial management of the event. The estimated budget planned for court booking, mineral water, prizes, and shuttlecocks amounted to RM436.00. The actual expenses, however, were lower at RM352.80 due to reduced spending on prizes, shuttlecocks, and refreshments. Oppstar Technology Sdn Bhd contributed RM200 in sponsorship, which significantly reduced the financial burden on the committee. After accounting for all expenses and sponsorship, the event achieved a small profit of RM7.20, demonstrating effective cost control and resource management.

Appendix D: Final participant attendance list generated from Google Form responses for Badminton Smash 2026

This document records the official attendance of all students who registered and participated in the event. Each entry includes the timestamp of registration, full name, email address, and contact number, providing transparency and accountability in participant management. The attendance list confirms that 16 students registered, forming 8 doubles teams for the tournament. It also demonstrates the effectiveness of the marketing and promotional efforts carried out before the event, as reflected in the number of sign-ups. By compiling and verifying this list, the organising committee ensured smooth coordination on the event day, accurate team grouping, and proper certificate distribution.

Appendix E - Certificates

Appendix E: Certificate of appreciation awarded to Rachel Ng Ker Xin by Oppstar Technology Sdn Bhd for contributions as part of the Organising Committee of Badminton Smash 2026.

This certificate serves as official recognition of the organising committee's efforts in planning and executing Badminton Smash 2026. It was presented by Oppstar Technology Sdn Bhd, the event sponsor, and signed by Lai Choon Lin, Head of Department. The certificate highlights the valuable contribution made by committee members, reinforcing the importance of teamwork and collaboration in ensuring the success of the event. Including this certificate in the appendix demonstrates that the event was formally acknowledged by external stakeholders, adding credibility to the committee's work and providing tangible evidence of participant and organiser recognition.

Appendix F - Event Photographs

Appendix F1: Committee members managing registration at 4:45 PM

Appendix F2: Players competing in knockout matches during the tournament

INTI International College Penang School of Computing 3+0 Bachelor of Science (Hons) in Computer Science, in collaboration with Coventry University, UK 3+0 Bachelor of Science (Hons) in Computing, in collaboration with Coventry University, UK

Appendix F3: Prize-giving ceremony with winning team receiving cash prize after the event

Appendix F4: Marketing committee members conducting class-to-class promotion to encourage student registration before the event

These photographs provide clear evidence of both the pre-event promotional efforts and the execution of event-day responsibilities. The class promotion photo shows how the marketing committee actively engaged students before the event, encouraging participation and boosting registration numbers. The registration photo highlights the committee's role in welcoming participants and ensuring smooth check-in procedures. The match photographs capture the competitive atmosphere and teamwork among players, while the prize-giving ceremony

INTI International College Penang School of Computing 3+0 Bachelor of Science (Hons) in Computer Science, in collaboration with Coventry University, UK 3+0 Bachelor of Science (Hons) in Computing, in collaboration with Coventry University, UK

demonstrates recognition of winners and appreciation for all participants. Together, these images illustrate the full cycle of involvement — from promotion and preparation, to execution and wrap-up — and showcase the teamwork, organisation, and professionalism that contributed to the success of Badminton Smash 2026.

Appendix G - Screenshot of Communications

Appendix G: Instagram post for promoting Badminton Smash 2026

This screenshot provides evidence of the online promotion carried out before the event. The post was shared through an official Instagram account, ensuring wide visibility among INTI students. It included the event poster, essential details such as date, time, and venue, and highlighted the prizes and certificates to attract participants. By leveraging social media, the organising committee was able to reach a larger audience beyond classroom promotions, creating excitement and encouraging registrations. This demonstrates the effectiveness of the marketing strategy, which combined both physical posters and digital outreach to maximise participation.

Appendix H - Communication Screenshot

Appendix H: WhatsApp conversation among committee members for Badminton Smash 2026

This screenshot provides evidence of the internal communication and coordination that took place during the planning stage of the event. The messages show committee members discussing the Instagram post and sharing the official event poster to ensure consistent promotion across different platforms. It also reflects how responsibilities were reassigned when the IT Club president became unavailable, demonstrating adaptability and teamwork. By using WhatsApp as a communication tool, the committee was able to quickly exchange updates, resolve issues, and maintain alignment on promotional strategies. This highlights the importance of effective communication in ensuring smooth collaboration and successful event execution.
